# Joseph's House

## BIRDIES FOR BABIES GOLF TOURNAMENT

Our **10th Annual Birdies for Babies Golf Tournament** is our premiere annual fundraising event where more funds are raised to support our annual operations than any other event. From the exceptional golf at Skaneateles Country Club, to the amazing lunch at the turn or Cocktails at the Club, and most importantly, the notion that every involvement with Joseph's House creates a **life changing opportunity** for the women and children at Joseph's House.

Dear Fellow Golfers & Sponsors –

Thank you for your past support of the Joseph's House for Women Birdies for Babies golf tournament. Your generosity through a sponsorship has helped many women and their children to begin an independent life of hope.

This year we celebrate the 10th anniversary of Joseph's House and we want to make this year's golf tournament memorable by growing our impact as sponsors – By raising more funds we help to provide the services and resources for pregnant and parenting women to succeed in independence for themselves and their children. Many of the women have experienced homelessness, trauma from the past, and have not had the support and resources they need but they have chosen Life and they have chosen Hope.

In the past you have been very generous in supporting the mission of Joseph's House. We are asking that you give an extra boost to this mission, your generosity impacts the lives of the women and children at JH. Please consider giving at the next sponsorship level or higher this year.

Joseph's House for Women has the capacity to house 15 women and their children, with a goal to increase capacity to 23 women and their children to meet the huge demand in our community. JH provides women with housing, free mental health counseling, free in-house day care so women can progress towards a GED or further education, transportation to appointments, and various life skills that include – parenting, financial, social, cooking, as well as art therapy, to name just a few.

Thank you again for your participation in this year's 10th Annual Birdies for Babies Golf Tournament. Please know that your sponsorship goes directly to the bottom line, which means providing the services and resources to help these brave women live and raise their children independently.

We hope you can join us this year at the 10th Annual Birdies for Babies. Consider how you can be involved, whether it's through a sponsorship or golfing with a foursome. We are grateful for your continued support of the Joseph's House mission.
